

Invitation 2nd Supervision Conference, Gaziantep

15th and 16th April 2025

Dear Colleagues and Supervision Enthusiasts,

On behalf of the MHPSS Programme of GIZ – Syria Response, we are pleased to invite you to the 2nd Conference on Structured Individual and Group Supervision.

"External Supervision – An Instrument for Quality Development and Staff Care in MHPSS Services in Syria: A Contribution to a Sustainable Mental Health System and Psychological Recovery."

Following the success of our 2023 conference on case supervision in the Syrian crisis, the 2025 event will focus on the complexities of external supervision in the Syrian context, exploring its impact on staff care, service quality, and MHPSS sustainability.
